INTRODUCTION

Funky Nursery!

Here you will find ten easy tunes that I remember from MY childhood. Some of these tunes would have been sung by children 500 years ago but NEVER with a funky backing band like the one we've put on this CD!

For each song, first sing along with the CD, and get your family to join in as well they will love it.

THEN TRY TO LEARN TO PLAY WITH THE SLOW SPEED VERSION.

THEN TRY TO LEARN TO PLAY WITH THE MEDIUM SPEED VERSION.

THEN TRY TO LEARN TO PLAY WITH THE FAST VERSION IF YOU CAN.

Ask your Harmonica teacher or your family to help you and if you practise every day you will be able to play some of these tunes-GUARANTEED!

Enjoy it.

Ben Hewlett became a musician at the age of ten in 1969 learning the trumpet. He went through the school system of exams and performances, finally escaping the mandatory classical repertoire with the discovery of Louis Armstrong and Dizzy Gillespie. He was a minor third addict at fourteen and still has a passion for jazz and blues. Godfather Dennis Corble gave Ben a harmonica at the age of 7 thus unknowingly sowing the seeds of a lifelong love of this instrument!

Paul is a composer/arranger, multi-instrumentalist and teacher. He is a former pupil of Bishop Wordsworth School, Salisbury and former member and leader of the Wiltshire Youth and Salisbury Junior Orchestras on violin. He also played in rock and folk bands in the Salisbury areas from the age of 15 onwards and later graduated from Trinity College of Music, London in violin, piano and composition (1976-80).
